Fast Start

Make sure this file is a '.mov'

You can now send to GRNlive via FTP, or however you choose. Some options outlined below:

GRNlive FTP:

<ftp://02f2a4d.netsolhost.com>

Username: grnliveupload

Password: Please email hp@grnlive.com for details

We suggest you use freeware such as Filezilla or Cyberduck to upload to our FTP

When you upload for the first time, please create a new folder in your name to make it easy for us to find your video.

Or go to:

www.yousendit.com

or

www.wetransfer.com

Remember to fill in or send us all the details contained in the **GIFF form** -

www.grnlive.com/grnlivereporterpacks.htm

As soon as you've sent the video, please email us:

Contact email for GRNlive video is Matthew Buxton matthew@grnlive.net

GRNlive will forward the video to Getty and will ensure your rights are protected and you receive your royalties as soon as possible. You will receive 40% of the gross sales from GRNlive, the same as you would receive if you had an independent deal direct with Getty.

NOTE - You retain the rights to the video and will be paid in perpetuity by GRNlive, for as long as you want the video to stay on the Getty Images site.
